

*“So do not fear, for I am with you;
Do not be dismayed, for I am your God,
I will strengthen you and help you;
I will uphold you with My righteous right hand.”
Isaiah 41:10*

As we deal with the effects of the coronavirus pandemic, I pray as your pastor and brother in Christ, that you will experience God’s special presence in your heart, in your family and in your home, see His provisions, and be filled with His peace (His special SHALOM).

In the midst of whatever you and your loved ones are experiencing right now, may you feel God’s Mighty Hand grasping yours and taking you to Himself.

I beg God, Father, Son and Holy Spirit to give you and yours strength for today and hope for a better tomorrow.

I ask Our Lady, Mother of the Church and our dear Mother to intercede on your behalf before the Throne of her Beloved Son and our Brother for the strength to continue to walk on this our Journey of Faith in both good times and the not-so-good times.

Let us pray for one another - for prayer is our most powerful weapon.

May the Lord bless you and keep you in His ever loving care!

Prayerfully and lovingly,

fr. Anthony Francis
